Solo exhibitions

- 2021 *Solo exhibition, MOCA Cleveland, Cleveland, USA*
I'm Jade. I'm a trans woman trans womxn trans femme two spirit human being. Life feels long even though it hasn't been all that long. A brain tumor surgically removed, getting divorced, losing my dad, brain tumor resurgence scare, starting hormone replacement therapy, experiencing sexual assault and rape multiple times and coming out as a woman. This exhibition is a roller coaster of the emotions feelings but also thoughts connections that happened over this span of time... only a little more than a decade. This exhibition covers the span of Puppies Puppies to Jade. It's hard to get up each morning. My heart aches but I'm happy to be a woman. I'll try my best to enjoy life even though society makes it difficult. From dust to dust I am but a speck on this planet and I wonder how to use this short life of mine. Trying not to let my trauma take over but still be kind to yourself Jade. This is the end of a decade • a new way of working coming soon. Sincerely, Jade Kuriki Olivo, Kunsthhaus Glarus, Glarus, Switzerland
